Global Tax Fairness Thomas Pogge 2016-02-04 This book addresses sixteen different reform proposals that are urgently needed to correct the fault lines in the international tax system as it exists today, and which deprive both developing and developed countries of critical tax resources. It offers clear and concrete ideas on how the reforms can be achieved and why they are important for a more just and equitable global system to prevail. The key to reducing the tax gap and consequent human rights deficit in poor countries is global financial transparency. Such transparency is essential to curbing illicit financial flows that drain less developed countries of capital and tax revenues, and are an impediment to sustainable development. A major breakthrough for financial transparency is now within reach. The policy reforms outlined in this book not only advance tax justice but also protect human rights by curtailing illegal activity and making available more resources for development. While the reforms are realistic they require both political and an informed and engaged civil society that can put pressure on governments and policy makers to act.

Disciple IV Abingdon Press 2005-05 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three

and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Sometimes, an idea or person can become unstoppable. Unstoppable, like Charles Lindbergh crossing the Atlantic in a solo flight when no one had thought it was possible, or track star Roger Bannister breaking the four-minute mile barrier. Slave Stealers Timothy Ballard 2018-09-04 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Radar Instruction Manual United States. Maritime Administration 2005 Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies.Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools.It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook.This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation.Robert J.

Read Us or Die Nicholas Grabowsky 2013-08-10 The first official publisher's anthology featuring the exemplary talents of the authors of BLACK BED SHEET BOOKS! "Black Bed Sheet is not only a publisher of fantastically creative horror books but knows the meaning of heart and integrity....Grabowsky has taken BBS to heights that few could have imagined with his drive, determination and talent, along with the talent in his stable. If you haven't read anything from BBS, it's past time you did but it's never too late!" --- Gene Tipton, A SHOT IN THE DARK COMICS "I had this idea for an anthology. A crazy, outside the box thought that I hoped would at least ignite some interest. Well, it not only ignited, the damn thing drenched the entire office at Black Bed Sheet Books and its publisher Nicholas Grabowsky in a orange and red hue of excitement. This has now

become a solid joint effort spanning the many talented authors of Black Bed Sheet Books, highlighting the core value of writing: character depth. When Nick gave me the green light, I began to construct this list of talented writers. Some are veterans of the writing landscape [such as myself], others are brand new and cutting their jagged incisors deep into the skin of the publishing world. My only requirement for the authors became the simple task of all, write a story that has deep characters and emotion. A story evolves only so far as the characters propel it. I wanted the characters stripped down to their skeletons. Heroes, villains, somewhere in the middle? Bring them through the emotional grinder, chew them up, spit them out, where will it take the reader? Or, what about a few stories with different spins on such figures as Dracula, Adolph Hitler, the Devil, and Snow White. A few of these stories are dark in nature, or splashed with a form of comic ingenuity. Others are entrenched in history with a different spin that left me squirming in my seat. These authors are bright, fresh, talented, comedic, compassionate, and downright scary when they want to be. So sit back, turn off the lights, and read the book. Or die. I wouldn't want that to happen to you, but then again once you step inside our world, anything can happen. Close your eyes. Take a breath. The sounds you hear are real. There is no turning back. Keep reading. Or die." --from Introduction by Jason Gehlert --Featuring the talents of-- Fred Wiehe - Cinsearae Santiago - Brandon Ford Jessica Lynne Gardner - Lincoln Crisler - Jason Gehlert - William Cook - Reyna Young - Tom Sawyer - K.K. - Rey Otis - Shannon Lee - B.L.
