The Medieval Chastity Belt A. Classen 2007-03-19 The chastity belt is one of those objects people have commonly identified with the ‘dark’ Middle Ages. This book analyzes the origin of this myth and demonstrates how a convenient misconception, or contorted imagination, of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands.

Not The Marking Kind Kathryn Nolan 2021-01-08 He’s the best bad decision she’ll ever make... Type A attorney Fiona Quinn has one goal left to accomplish before turning 30: A big, fairy-tale wedding. All she needs is a groom. So what if she’s never been in love-or even lust-before? She’s confident she can solve the problem the way she always does, with spreadsheets and an action plan. When a family emergency brings bad boy Max Devlin swaggering back into town—with his cocky grin, tattoos, and wanderlust—Fiona has to remind herself that he’s as unsuitable as it gets. Nope. Not happening. No matter how irresistible his invitation is for a night or seven between the sheets. If she can’t tie him down—metaphorically, of course—her pants must stay on. Max can’t remember the last time a woman turned him down. He’s a guaranteed three-orgasms good time, dammit. So what if he’s not the marking kind? Those sweaty palms he gets when Fiona agrees to help him save his dad’s punk rock club are just an allergic reaction to her methodical march toward matrimony. Before he hits the road again, he’s going to prove to Fiona that life’s more fun when you play rather than win. It’s all just fun and games, right? Author’s Note: A steamy, opposites attract standalone romance featuring a cocky bad boy (with a heart of gold) and a buttoned-up good girl (with a secret wild side). 1-CLICK if you’re into dirty dancing, swoony first kisses and hot trysts in supply closets. This book comes with a guaranteed (and very romantic) happily ever after.

His Fall From Power - The Complete Story: A Female Domination and Male Chastity Novel
Missress Benay 2017-11-07 Ever since Missress Benay published her Award Winning Novel, “His Fall From Power,” and then, the exciting and suspenseful Sequel to it, both in Kindle Format, she has been besieged with requests from her loyal readers to combine both volumes in one Paperback Edition. Here for the first time, the Full Length Complete story of “His Fall From Power” is being published as a Beautiful Paperback. Thomas McMillan was on Top of the World. As C.E.O. of a rapidly growing Electronics Company, he had it all. The Beautiful Wife, the Mansion in the Suburbs, the Fancy Foreign Cars, and Everything he could possibly wish for, until he made two mistakes which were going to cause him to lose everything. First he hired drop dead gorgeous Ashley Long to be his Executive Secretary, and then he betrayed his Wife, by having an affair with Ashley. Little did Thomas know, that those two mistakes would catapult him into his new role as a slave to his Wife and to his Secretary in this action packed novel filled with Corporate Intrigue and Sensual Relationships. Missress Benay weaves a plot where the main character does not realize until it is too late that he has been led into a world of Male Chastity, Bondage, Bi-Sexual Relationships, Domestic Servitude, Discipline and Female Domination by the clever maneuvering of his Wife and his Secretary. After betraying his wife by having an affair, Thomas McMillan now accepts the fact that his life will never be the same again, as his Beautiful Wife, Doreen relegates him to the role as her 24/7 slave and maid. A role which Thomas could never have imagined would be filled with so much suffering and indignity. Female Domination, Male Chastity, Bi-Sexual Relationships, and Bondage & Discipline are an every day part of Thomas’s new life now that he no longer is in charge of his Company, and has become a helpless slave to his wife, and to his former Secretary Ashley Long. Here is just one of the many Five Star Reviews this Novel has received: “The action in Missress Benay’s ‘His Fall From Power’ is well paced, often creative, and woman centered. Her style to me is measured and softly worded, rising to a crescendo, then deftly falling back to build again. ‘His Fall From Power’ is right up there among erotica written for women, by women, but tops my two favorite authors of female erotica, Anne Rice and Pauline Reage as, here, the woman does not suffer for love, but she commands it, demands it, and revels in the devotions a well trained male can provide.”

Missress DeDe 2015-11-23 If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner’s sex life? You are probably confused and you don’t have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner’s male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women’s tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. Awaken the Power Within
Randall Michael Caruso 2017-08-24 During my journey in a Female Led Lifestyle, I have come to see why spanking, paddling, whipping and canning is important and is such a popular and erotic form of training men. Obedience must be spanned by every woman, if she wishes to rule like a Queen over each man. A Female Led Relationship may start out and often does as a male sexual fantasy, but it must evolve into a real lifestyle, where the woman really leads and the man really obeys or it simply will not work. I have seen many Love & ObeY couples reach their crossroads, and I often receive letters from men complaining that the woman has really adopted leadership of the relationship. They complain that how she wants to do things that they do not want her to do, but the woman will no longer listen. These men quickly learn that women who have been set free into a Female Led Lifestyle, no longer care what men will “allow,” and they realize they are now free to do as they see fit. They are “Modern Day Queens,” and they view the man as their subject, or as their knight, either way they require the man to obey their commands. So today the Love & ObeY movement has moved far away from a fantasy or a game, it is a real lifestyle and men and women, thousands upon thousands of them around the world are fully committed to it. A Female Led Lifestyle involves setting up some rules for a man’s behavior that can be monitored by his female authority. If he breaks a rule, then he knows that he must be disciplined for doing so. This discipline teaches men to behave in a more submissive, obedient and loving way. Some couples set up rules together, while others rely on the female leader alone to create them. Some rules of male behavior are actually suggested by the man, because he wants to work on some negative aspect of his own behavior or attitudes that he believes is holding him back from becoming a better man.

When you do, your home life, your emotional and physical needs, and most importantly, your sexual contentment will all improve for the better. The FemDom Relationship Guide
Mem Linc 2020-10-26 This is your book. You should not read this book, if you’re interested in any ‘hot’ FemDom sex stories - you won’t find them here. You will find a complete manual for a FemDom relationship, however. Simply put FLR is when women lead men - men who want to be led by them. Of course this happens every day in all types of situations such as business, education, healthcare and home. The phenomenon is when men want /ask women to lead in their personal lives. The man in the relationship is submissive to the woman. He may be dominant towards others, but comes home as the strong knight that submits to his QUEEN. Of course, there are also men that will be a slave to love in everyday life as well.FLR or FemDom (Female Dominance) is the safest relationship a Woman can have. She makes the rules, sets the boundaries and she has the final saying; while the man loves and supports her in her role. In any other relationship, Women do not enjoy that kind of freedom or safety. This is a functional model for any Woman who wants more control and less stress. Many men want the woman to rule over them so FLR to men is deeper and richer than simply being led by a woman or following her in a supportive role. It is very erotic!

A Woman’s Guide to a Female Led Relationship
Victoria West 2017-01-05 I am writing this book for the woman who is interested in being in a Female Led Relationship. It is for the women who is at her wits end and is tired of the same old thing with the same men. She is tired of being an object in her relationship. She is tired of not getting satisfied in bed. She is tired of “sleeping on the wet spot” while her lover rolls over and falls asleep. She is tired of being overlooked and taken for granted. This is not a book of erotic titillating stories. While in later chapters I will give you a variety of ideas to take “erotic control” of your partner, my primary purpose is to give you a realistic illustration as to what to expect and think about when you are in a relationship like this. We have all dated that guy who wanted sex all the time and was really kinky in the bedroom. The kind of guy that wants to do it in the back yard while you’re wearing a red satin teddy or a guy who wants to watch while you are pleasuring yourself with your magic vibrating egg. But a Female Led Relationship is more than just kinky sex. It’s actually a very small part of it. It is first and foremost a relationship between two consenting adults. It isn’t just one or two steamy and kinky moments of passion. It’s a way of living. It’s a lifestyle with the woman at the helm.

Surrender, Submit, Serve
Her
Key Barrett 2016-12-22 What is Female Leadership? It’s accepting that “She knows best” in all matters. From the finances to the household to how best to accomplish long-term goals. It’s trusting in Her judgement to run things and embracing Her way. This doesn’t take the man weak, just the opposite, because men are the best at “getting things done” when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side’s strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex.Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission.Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for Best BDSM Book of the Year in the Non-fiction category.Updated for 2018! Better formatting and new content.

Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband.
Key Barrett 2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a “barter system” wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Feminizing Men - A Guide for Males to Achieve Maximum Feminization
Barbara Deloto 2014-10-29 Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a “real” man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn’t have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the “man markers” that get males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be the consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male’s journey toward maximum feminization.

The Dominatrix Manual
Missress DeDe 2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn’t the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Missress is really all about and will give you insight on how to be a Missress. Being a Missress isn’t all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say

MALE CHASTITY KEYHOLDER GUIDE Mistress Dede 2015-01-08 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this is taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.
