Road to the Sun Keira Andrews 2017-05-19 A desperate father. A lonely ranger. Unexpected love that can't be denied. Jason Kellerman's life revolves around his eight-year-old daughter. Teenage curiosity with his best friend led to Maggie's birth, her mother tragically dying soon after. Insistent on raising his daughter himself, he was disowned by his wealthy family and has worked tirelessly to support Maggie-even bringing her west on a dream vacation. Only twenty-five, Jason hasn't had time to even think about romance. So the last thing he expects is to question his sexuality after meeting an undeniably attractive park ranger. Ben Hettler's stuck. He loves working in the wild under Montana's big sky, but at forty-one, his love life is non-existent, his ex-boyfriend just married and adopted, and Ben's own dream of fatherhood feels impossibly out of reach. He's attracted to Jason, but what's the point? Besides the age difference and skittish Jason's lack of experience, they live thousands of miles apart. Ben wants more than a meaningless fling. Then a hunted criminal takes Maggie hostage, throwing Jason and Ben together in a desperate and dangerous search through endless miles of mountain

forest. If they rescue Maggie against all odds, can they build a new family together and find a place to call home? Road to the Sun is a May-December gay romance from Keira Andrews featuring adventure, angst, coming out, sexual discovery, and of course a happy ending.

*Turkish Kaleidoscope* Jenny White 2021-05-04 A powerful graphic novel that traces Turkey's descent into political violence in the 1970s through the experiences of four students on opposing sides of the conflict Turkish Kaleidoscope tells the stories of four unforgettable protagonists as they navigate a society torn apart by violent political factions. It is 1975 and Turkey is on the verge of civil war. Faruk and Orhan are from conservative shopkeeping families in eastern Anatolia that share a sense of new possibilities. Nuray is the daughter of villagers who have migrated to the provincial city where Yunus, the son of an imprisoned teacher, was raised in genteel poverty. While attending medical school in Ankara, Faruk draws a reluctant Orhan into a right-wing nationalist group while Nuray and Yunus join the left. Against a backdrop of escalating violence, the four students fall in love, have their hearts broken, get married, raise families, and struggle to get on with their lives. But the consequences of their decisions will follow them through their lives as their children begin the story anew, skewed through the kaleidoscope of historical events.

Inspired by Jenny White's own experiences as a student in Turkey during this tumultuous period as well as original oral histories of Turks who lived through it, Turkish Kaleidoscope reveals how violent factionalism has its own emotional and cultural logic that defies ideological explanations.

My desire is for you to read my book and understand that if I could have gone through everything I've been through in my life and still remain sane, so can you. I am a survivor and I want you to realize that you are too. Writing this book was very therapeutic for me; it was a way for me to release it. I hope reading it becomes very therapeutic for you as well. There is a bit of comedy and sarcasm in it that will make you laugh. However, I do use some adult language, so if you have a teenager whose perhaps been raped that you want to read it, please be sure you supervise them. I am who I am and don't pretend to be anyone else. Enjoy!

*Year of the Monkey* Patti Smith 2019-09-24 From the National Book Award-winning author of *Just Kids* and *M Train*, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs--including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words,

"Anything is possible: after all, it's the Year of the Monkey." For Smith-- inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, *Year of the Monkey* is a moving and original work, a touchstone for our turbulent times.

**The Illustrated Man** Ray Bradbury 2012-04-17 Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.

*More Than I Love My Life* David Grossman 2021-08-24 INTERNATIONAL BOOKER PRIZE NOMINEE • A remarkable novel of suffering, love, and healing—the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told—from the internationally best-selling author of *To the End of the Land* “A magnificent book ... The way Grossman writes about these regions is unique, with a deep understanding of our experience.” —Josip Mlakić, *Express* (Croatia) *More Than I Love My Life* is the story of three strong women: Vera, age ninety; her daughter, Nina; and her granddaughter, Gili, who at thirty-nine is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili—abandoned by Nina when she was just three—has always been close to her grandmother. With Gili making the arrangements, they travel together to Goli Otok, a barren island off the coast of Croatia, where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey—filtered through the lens of Gili’s camera, as she seeks to make a film that might help explain her life—lays bare the

intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. *More Than I Love My Life* was inspired by the true story of one of David Grossman’s longtime confidantes, a woman who, in the early 1950s, was held on the notorious Goli Otok (“the Adriatic Alcatraz”). With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman’s fearless examination of the human heart, this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists, whose revered moral voice continues to resonate around the world.

**The Way of Woman** Helen M. Luke 2011-08-03 Why do so many women now feel so conflicted about their roles, so cut off from sources of spiritual nourishment in their lives? More importantly, what can they do about it? In *The Way of Woman*, Helen M. Luke has brought six decades of experience to bear in answering these two questions, drawing on a rich trove of feminine images and symbols from the Bible, mythology, folklore, Greek tragedies, and modern poetry to guide women on a path to the lasting personal fulfillment that can only come through understanding one's essential feminine nature.

Meet animals of every color of the rainbow and find out why they are the colors and patterns they are. Discover the reason why some animals are stripy and others are spotty. **The Uninhabitable Earth** David Wallace-Wells 2020 "It is worse, much worse, than you think. If your anxiety about global warming is dominated

by fears of sea-level rise, you are barely scratching the surface of what terrors are possible. In California, wildfires now rage year-round, destroying thousands of homes. Across the US, "500-year" storms pummel communities month after month, and floods displace tens of millions annually. This is only a preview of the changes to come. And they are coming fast. Without a revolution in how billions of humans conduct their lives, parts of the Earth could become close to uninhabitable, and other parts horrifically inhospitable, as soon as the end of this century. In his travelogue of our near future, David Wallace-Wells brings into stark relief the climate troubles that await -- food shortages, refugee emergencies, and other crises that will reshape the globe. But the world will be remade by warming in more profound ways as well, transforming our politics, our culture, our relationship to technology, and our sense of history. It will be all-encompassing, shaping and distorting nearly every aspect of human life as it is lived today. Like *An Inconvenient Truth* and *Silent Spring* before it, *The Uninhabitable Earth* is both a meditation on the devastation we have brought upon ourselves and an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation"--

[All that is Solid Melts Into Air](#) Marshall Berman 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Love can range from the purest form of mother's love to the tragic feeling of unrequited love. And also to the silent love which continues even after it is gone. Love is basically like a kalaidoscope and it changes colour in all human relations with time.

*Dinner at the Center of the Earth* Nathan Englander 2017-09-05 A political thriller set against the Israeli-Palestinian conflict, from the Pulitzer-nominated, bestselling author of *For the Relief of Unbearable Urges*. A Los Angeles Times Best Book of the Year "Blends elements of spy thriller and love story, magical realism, and an all-too-real history of one of the world's most intractable problems: peace between Israel and its neighbors." —The Boston Globe In the Negev desert, a nameless prisoner languishes in a secret cell, his only companion the guard who has watched over him for a dozen years. From Israel and Gaza to Paris, Italy, and America, Englander provides a kaleidoscopic view of the prisoner's unlikely journey to his cell. *Dinner at the Center of the Earth* is a tour de force—a powerful, wryly funny, intensely suspenseful portrait of a nation riven by insoluble conflict, and the man who improbably lands at the center of it all.

[Kaleidoscope of Cheer and Hope](#) Manjulika Pramod 2020-07-01 This book is born in one of the most unprecedented times of history and it clearly aims to picture reality, create awareness, spread cheer, and convey that we are together in this pandemic. It thrives on authentic illustrations and vivid commentary on some of the most important events of the lockdown. The book promises visual meditation and helps in positive grieving. The act of making personal notes and capturing the current situation into meaningful drawings gave birth to "Kaleidoscope of Cheer and Hope". In these times of uncertainty and anxiety, the author felt a dire need to emphasize the importance of taking care of one's mental health, social

distancing, maintaining personal hygiene, expressing gratitude, and manifesting hope for humanity, and thus, she created a world for herself and others. Art turned out to be a powerful tool in this positive campaign. For years, words and creations have been used as a response to uncertainty and catastrophe. The current scenario is no different. Hope this book helps you to introspect, emote, question, and preserve these unexpected times in more than one way.

*Yellow Earth* John Sayles 2020-01-07 In *Yellow Earth*, the site of Three Nations reservations on the banks of the Missouri River in North Dakota, Sayles introduces us to Harleigh Killdeer, chairman of the Tribal Business Council. "An activist in his way, a product of the Casino Era," Killdeer, who is contracted by oil firm Case and Crosby, spearheads the new Three Nations Petroleum Company. What follows, with characteristic lyrical dexterity, insight, and wit, introduces us to a memorable cast of characters, weaving together narratives of competing worlds through masterful storytelling. Set shortly before Standing Rock would become a symbol of historic proportions of the brutal confrontation between native resistance and the forces of big business and law enforcement, the fate of *Yellow Earth* serves as a parable for our times.

How to Love a Jamaican Alexia Arthurs 2018-07-24 "In these kaleidoscopic stories of Jamaica and its diaspora we hear many voices at once. All of them convince and sing. All of them shine."—Zadie Smith *An O: The Oprah Magazine* "Top 15 Best of the Year" • A Well-Read Black Girl Pick Tenderness and cruelty, loyalty and betrayal, ambition and regret—Alexia Arthurs navigates these tensions to extraordinary effect in her debut collection about Jamaican immigrants and their families back home. Sweeping from close-knit island communities to the streets of New York City and midwestern university towns, these eleven stories form a portrait of a nation, a people, and a way of life. In "Light-Skinned Girls and Kelly Rowlands," an NYU student befriends a fellow Jamaican whose privileged West Coast upbringing has blinded her to the hard realities of race. In "Mash Up Love," a twin's chance sighting of his estranged brother—the prodigal son of the family—stirs up unresolved feelings of resentment. In

"Bad Behavior," a couple leave their wild teenage daughter with her grandmother in Jamaica, hoping the old ways will straighten her out. In "Mermaid River," a Jamaican teenage boy is reunited with his mother in New York after eight years apart. In "The Ghost of Jia Yi," a recently murdered student haunts a despairing Jamaican athlete recruited to an Iowa college. And in "Shirley from a Small Place," a world-famous pop star retreats to her mother's big new house in Jamaica, which still holds the power to restore something vital. Alexia Arthurs emerges in this vibrant, lyrical, intimate collection as one of fiction's most dynamic and essential authors. Praise for *How to Love a Jamaican* "A sublime short-story collection from newcomer Alexia Arthurs that explores, through various characters, a specific strand of the immigrant experience."—*Entertainment Weekly* "With its singular mix of psychological precision and sun-kissed lyricism, this dazzling debut marks the emergence of a knockout new voice."—*O: The Oprah Magazine* "Gorgeous, tender, heartbreaking stories . . . Arthurs is a witty, perceptive, and generous writer, and this is a book that will last."—Carmen Maria Machado, author of *Her Body and Other Parties* "Vivid and exciting . . . every story rings beautifully true."—Marie Claire *The Second Media Age* Mark Poster 2018-03-08 This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age". *The Antarctica of Love* Sara Stridsberg 2022-01-18 The international star Sara Stridsberg returns with *The Antarctica of Love*, an unnamed woman's tale of her murder, her brief life, and the world that moves on after she left it They say you die three times. The first time for me was when my heart stopped beating beneath his hands by the lake, and the second was when what was left of me was lowered into the ground in front of Ivan and Raksha at Bromma Church. The third time will be the last time my name is spoken on earth. She was a neglected child, an unreliable mother, a sex worker, a drug user—and then, like so many, a nameless victim of a violent crime. But first she was a human being, a full, complicated person,

and she insists that we know her fully as she tells her story from beyond the grave. We witness her short life, the harrowing murder that ended it, and her grief over the loved ones she has left behind. We see her parents struggle with guilt and loss. We watch her children grow up in adopted families and patch together imperfect lives. We feel her dreams, fears, and passions. And still we will never know her name. A heartrending novel of life after death, Sara Stridsberg's *The Antarctica of Love* is an unflinching testament of a woman on the margins, a tale of family lost and found, a report of a murder in the voice of the victim, and a story that brims with unexpected tenderness and hope.

**Enough About Love** Hervé Le Tellier 2011-02-01 GONCOURT PRIZE-WINNING AUTHOR Any man—or woman—who wants to hear nothing—or no more—about love should put this book down. Anna and Louise could be sisters, but they don't know each other. They are both married with children, and for the most part, they are happy. On almost the same day, Anna, a psychiatrist, crosses paths with Yves, a writer, while Louise, a lawyer, meets Anna's analyst, Thomas. Love at first sight is still possible for those into their forties and long-married. But when you have already mapped out a life path, a passionate affair can come at a high price. For our four characters, their lives are unexpectedly turned upside down by the deliciously inconvenient arrival of love. For Anna, meeting Yves has brought a flurry of excitement to her life and made her question her values, her reliable husband, and her responsibilities to her children. For Louise, a successful career woman in a stable and comfortable marriage, her routine is uprooted by the youthful passion she feels for Thomas. Thought-provoking, sophisticated, and, above all, amusing, *Enough About Love* captures the euphoria of desire through tender and unflinching portraits of husbands, wives, and lovers.

**The Invention of the Kaleidoscope** Paisley Rekdal 2007-02-25 The *Invention of the Kaleidoscope* is a book of poetic elegies that discuss failures: failures of love, both sexual and spiritual; failures of the body; failures of science, art and technology; failures of nature, imagination, memory and, most importantly, the failures inherent to elegiac narratives and our formal attempt to memorialize the lost. But the book also explores

the necessity of such narratives, as well as the creative possibilities implicit within the "failed elegy," all while examining the various ways that self-destruction can turn into self-preservation.

**Cairn** James Thomas Fletcher 2017-02-06 From the author of *Poems from Terra*, landmarks, monuments, and tombstones along the road of life. Meditations on nature, love, longing, war, and being. PRAISE FOR JAMES THOMAS FLETCHER: A penetrating and provocative smorgasbord. His poems sing and inform in thoughtful, non-conforming, wonderful ways. Life's harmonies coupled with a realistic sprinkling of irony and brilliant dissonance. An existential celebration of life. From intimacies of love to an explanation of the universe, by way of a walk on the noir side ... Fletcher spotlights the quirks of human longing and the enigmas of memory. I have always favored the slow sipping of a refreshing libation mixed with a perfect blend of romance and magic ... adorned with the lemon-lime twist of macabre fantasy. The breadth of topics is impressive. [Fletcher's] depth of thought, humor, love for words, and poetic skill made the book a joy and a challenge to read. Humor, passion, reverence, irreverence; a connection to people, a reflection on life and self, an exploration of ideas. The tantalizing hints and allusions made me want to have the poet in the same room so that I could plumb for more. Highly personal, experiential.... free flowing exuberance of the visual. The intensity of feeling is superior.... Their complexity is almost painful.... I was moved, confused, astounded, curious, excited. A 'Fletcher' adds feathers to arrows to make them fly true. James Thomas Fletcher's poems ... fly straight to a reader's heart. Fun, intelligent, trenchant. Explore these shorter samples for a glimpse into Cairn. BLUE LAKE thunderstorms rage outside the window and a young heron sits in the middle of my lake like a blue asparagus on the back of a sun drenched iguana OBSIDIAN Obsidian. The word lies immovable on the page. A boulder among pebbles of words. Poets unearth it as an ancient coin found beneath the sand or sprinkle it like a rare dark jewel. Its thud-heavy weight attracts the eye like light to a black

hole. TUCKPOINTING When no one's looking the ivy vine slips its feet into the mortar between the line of scuffed bricks, tucks itself into the cracks and waits creviced for winter.

**Poet Warrior: A Memoir** Joy Harjo 2021-09-07 National bestseller An ALA Notable Book Three-term poet laureate Joy Harjo offers a vivid, lyrical, and inspiring call for love and justice in this contemplation of her trailblazing life. Joy Harjo, the first Native American to serve as U.S. poet laureate, invites us to travel along the heartaches, losses, and humble realizations of her "poet-warrior" road. A musical, kaleidoscopic, and wise follow-up to *Crazy Brave*, *Poet Warrior* reveals how Harjo came to write poetry of compassion and healing, poetry with the power to unearth the truth and demand justice. Harjo listens to stories of ancestors and family, the poetry and music that she first encountered as a child, and the messengers of a changing earth—owls heralding grief, resilient desert plants, and a smooth green snake curled up in surprise. She celebrates the influences that shaped her poetry, among them Audre Lorde, N. Scott Momaday, Walt Whitman, Muscogee stomp dance call-and-response, Navajo horse songs, rain, and sunrise. In absorbing, incantatory prose, Harjo grieves at the loss of her mother, reckons with the theft of her ancestral homeland, and sheds light on the rituals that nourish her as an artist, mother, wife, and community member. Moving fluidly between

prose, song, and poetry, Harjo recounts a luminous journey of becoming, a spiritual map that will help us all find home. Poet Warrior sings with the jazz, blues, tenderness, and bravery that we know as distinctly Joy Harjo.
