Nine Essential Things I've Learned about Life Harold S. Kushner 2016-09-06 "A profoundly inspiring yet practical guide to well-being from one of modern Judaism's most beloved sages. As a congregational rabbi for half a century and the bestselling author of *When Bad Things Happen to Good People* and twelve other books on faith, ethics, and how to translate the timeless wisdom of religious thought into dealing with everyday challenges, Harold Kushner knows a thing or two about living a good life. In this compassionate new work, Kushner distills nine essential lessons from the sum of his teaching, study and experience, offering a lifetime's worth of spiritual food for thought, pragmatic advice, inspiration for better living, and strength for trying times. With vital, original insights into everything from belief ("there is no commandment in Judaism to believe in God"), to conscience (the Garden of Eden story as you've never heard it), to mercy ("forgiveness is a favor you do yourself, not a favor to the person who offended you"), grounded in Kushner's brilliant readings of Scripture, history and popular culture, *Nine Essential Things I've Learned About Life* is a capstone addition to Kushner's oeuvre"--
Spiritual Liberation Michael Bernard Beckwith 2008-11-11

Michael Bernard Beckwith -- the dynamic spiritual leader who touched millions of readers and viewers in *The Secret* and through the spiritual community he founded, the Agape International Spiritual Center -- is now sharing his transforming central message and his powerfully accessible means for embodying that message in daily life, a process he calls "aspiring toward spiritual liberation." Michael Beckwith teaches that inner spiritual work, not religiosity or dogma, liberates us. He draws on a wide spectrum of ancient wisdom teachers such as Jesus the Christ and Gautama the Buddha; contemporary spiritual luminaries Thich Nhat Hanh, Sri Aurobindo, and the Dalai Lama; and Western contributors to the New Thought tradition of spirituality such as Emanuel Swedenborg, Walter Russell, and Dr. Howard Thurman to create a profound new belief synthesis. Either read silently or aloud, *Spiritual Liberation* can be included during meditation or prayer. Each chapter includes an affirmation that distills its core concepts into a sentence or two for the reader to easily practice throughout the day. Beckwith's personal and touching accounts guide the practitioner to integrate and activate the intrinsic gifts of divinity into everyday life. The core concepts of Beckwith's teachings are cohesively conceived and convincingly stated in the provocative

chapters of Spiritual Liberation. Topics covering "Evolved People," "Transportation to Trans-formation," "Transcending the Tyranny of Trends," and "Inner Ecology" are some of his foundational teachings that bring together insights from a range of spiritual paths to form a coherent practice that is neither Eastern nor Western but truly spiritually global. Regardless of their belief system, readers will find it impossible to finish this book without at least a few "Aha!" moments.

Since then I've reread it many times and it says even more to me now." As women, we’re expected to be sexy, but not sexual. We’re bombarded with conflicting, shame-inducing, and disempowering messages about sex, instead of being encouraged to connect with our true sexual selves. From relationship expert Alexandra Solomon—author of *Loving Bravely*—*Taking Sexy Back* is a groundbreaking guide to deepening your connection to yourself, honoring your desires, and cultivating authentic intimate connections. On these pages, you’ll discover how to deepen your sexual self-awareness, and use that awareness to create experiences that not only pleasure, but elevate, expand, and heal you.
