**Past Papers 2004**  
*Complete Revision Guide for MRCOG Part 2* Justin C. Konje 2019-12-17 The examination for Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) remains one of the most internationally recognised postgraduate examinations in the specialty. Over the years, the examination has evolved in keeping with changes in medical education; the Part 2 examination now consists of two papers made up of Single Best Answer (SBA) questions and Extended Matching Questions (EMQ). This invaluable resource consists of 400 SBA questions (200 in Obstetrics and 200 in Gynaecology), followed by 400 EMQs (200 in Obstetrics and 200 in Gynaecology), grouped into papers, to provide enough material to guide preparations and to give some practice experience of the examination formats. All the questions have answers with explanations and sources of evidence. In preparing for the examination, candidates should make repeated references to these sources of evidence. There is also general advice on how to prepare for the examination and discussion of the reasons why trainees fail the examination.

**Part 3 MRCOG** Lisa Joels 2016-09-15 Written by two experienced RCOG examiners, both of whom have been involved in the development of the new Part 3 MRCOG examination, this book is essential reading for any trainee preparing to sit the exam. The authors clearly describe the breadth and depth of the curriculum modules and the professional behaviours that will be assessed in the five clinical skills domains. The text includes written examples of every module, links to eight videos showing candidates attempting four real Part 3 tasks, examiners' comments, and a detailed discussion of each example. The content will help candidates understand what is required to pass the examination and how to demonstrate their knowledge and skills to best effect. The book will also be useful for trainers preparing their trainees for the new exam. Based on the principles of good medical practice, there are practical tips here for doctors and obstetricians at all levels.

**SBAs for the MRCOG** Mirka Slavka 2017-09-04 The Part 2 MRCOG exam consists of single best answer questions (SBAs) and extended matching questions (EMQs). It is vital that candidates have revised in accordance with the recommended syllabus and practiced relevant questions for the exam. The 3 authors of SBAs for MRCOG Part 2 have all recently sat the exam themselves, and were therefore able to identify gaps in the SBAs that previously were not addressed or assessed by available literature. This book provides questions and answers, explanations and references, which cover every subject, including clinical governance, statistics, colposcopy and HPV, oncology, fertility, urogynaecology and maternal mortality. SBAs for MRCOG Part 2 is divided in two parts: questions and answers. The first part contains over 300 questions covering 18 recommended modules. These are then followed by mock gynaecology and obstetrics exams, each with the requisite 50 questions. The second part gives the answers to each question, as well as a thorough explanation and also an up to date reference for further reading. This book can be used for individual reading or as source material for group revision.

**MRCOG : Part 2 MCQs** Khaldoun W. Sharif 1997 This new review guide contains approximately 500 multiple choice questions on obstetrics and gynecology. Each question is followed by the correct answer and an explanation of the answer. A PC disk accompanies the book, enabling the reader to take several practice tests under exam conditions.
